Accessibility Statement for Himalayan Kitchen Marin

This is an accessibility statement from Himalayan Kitchen Marin. We are committed to ensuring digital accessibility for people with disabilities. We are also continually improving the user experience for everyone, and applying the relevant accessibility standards.

Measures to support accessibility

Himalayan Kitchen Marin takes the following measures to ensure accessibility of Himalayan Kitchen Marin:

- Integrate accessibility into our procurement practices.
- Regularly review the website using accessibility tools
- Include accessibility as part of our organizational values.

Conformance status

The Web Content Accessibility Guidelines (WCAG) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, andLevel AAA. Himalayan Kitchen Marin is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.

Additional accessibility considerations

Although our goal is WCAG 2.1 Level AA conformance, we have also applied some Level AAA SuccessCriteria. Images of text have been eliminated as much as possible and are used only for decorative purposes. We aim to use semantic HTML, sufficient color contrast, and keyboard-accessible navigation to improve accessibility for all users.
